ANIMAL WELFARE

NEW MILTON HEDGEHOG RESCUE

Care, welfare and rehabilitation of hedgehogs/micro-chips for hedgehogs

The charity takes in hedgehogs from the New Forest area and provides them with first aid & treatment. As hedgehogs are now endangered species the charity micro-chip all hedgehogs they've rescued prior to release back into the 'wild' to provide the charity and vets with details of their individual medical records. This information will be shared with the British Hedgehog Preservation Society.
